

A wide-angle landscape photograph showing a mountain range. In the foreground, there are dense forests with trees displaying vibrant autumn foliage in shades of orange, yellow, and red. The middle ground features rolling hills and valleys covered in similar forest. In the background, high mountain peaks are visible, some with patches of snow or light-colored rock, under a clear blue sky. The lighting suggests a bright, sunny day.

Yashajin Pass MAF A-2

A photograph showing a dense forest floor covered in a thick carpet of red and pink flowers, likely orchids, with tall trees in the background.

A photograph of a waterfall cascading down a rocky, forested hillside. The water flows over several tiers of dark, wet rocks, creating white foam and spray. The surrounding area is densely covered with green vegetation, including moss and small plants, particularly on the left side. The background shows more of the forested slope.

A wide-angle photograph of a vast, green rice paddy field in the foreground, with a small village and distant mountains visible under a cloudy sky.
